

Westlaw (Australia) for Barristers

Course Description

This course shows you how to carry out key research tasks using Westlaw (Australia) to improve your work efficiency.

Learning Outcomes

- Case law research
 - Quickly find cases by citation, party name and download court ready versions of law reports
 - Establish if a case is good law working with Westlaw's citator – KeyCite.
- Commentary research
 - Browse the table of contents and indexes for commentaries and The Laws of Australia
- Legislation research
 - Find a current version of legislation
 - Find cases or secondary materials that cite a provision
- Research management
 - How to add a note or highlight text online e.g., Case
 - Use folders to manage your research documents and store key cases with your notes
 - How to setup an Alert 24 current awareness notification to keep up to date with latest cases, changes to legislation, government announcements and news in your practice areas

Session Duration
